Endowments may be directed towards our greatest need or towards specified areas of interest (book acquisitions, programming, the Norman Berman children's library, life-long learning or elsewhere).

An endowment fund can be created with a contribution of \$10,000 and may be added to over time. The funds will be invested and only the interest used as directed.

Let us work with you to create an endowment that reflects your values today and tomorrow. Please contact Kimberley Tepperman, Director of Development at 514-734-1360 or kimberley.tepperman@jplmontreal.org.
